Option Footnotes	
Special Rules	
Cupola	Tanks fitted with a commander's cupola do not suffer the effects of the Limited Vision rule.
Fast Tank	Fast tanks can march up to 32"/80cm when moving At the Double.
Limited vision	Tanks with limited vision add +1 to the score required to hit when shooting any weapon at targets that are outside the field of fire of their hull-mounted weapons.
Recce	Recce troops can use the Reconnaissance rules to avoid enemy fire.
Wide tracks	If a tank with wide tracks becomes Bugged Down while attempting to cross Rough Terrain, roll again. On a roll of 4+, the tank immediately frees itself and continues moving.
