

6th Guards Motorized Infantry Battalion

- 5th Tank Army - GEN A.G. Kravchenko
- 9th Guards Tank Corps - LTG M.I. Savelev
- 6th Guards Motorized Infantry Battalion
 - 12th Motorized Infantry Company (R/MG)
 - 17th Motorized Infantry Company (R/MG)
 - 6th Reconnaissance Company (BA-64)
 - 28th Heavy Tank Company (IS2)
 - 232nd Assault Gun Company (SU-122)
 - 11th Sapper Rifle Company

The 6th Guards Motorized Infantry Battalion was used during Operation Bagration as a deep penetration force as a follow up when the Udayny Assault Companies had pierced a hole in the German lines. The 6th was involved with the breakthrough at Orsha and helped to secure the route for the liberation of Minsk.

The unit continued to fight against the Germans until the end of the war and was a key unit in protecting the main thrusts into the city of Berlin.
